

GREENPEG Kick-off Meeting Norway

Raw materials for the European Green Deal

<https://www.greenpeg.eu/>

VIRTUAL MEETING: Due to the new Covid-19 restrictions, this will be a virtual event via ZOOM, instead of taking place as originally planned at the Botanical Garden of the Natural History Museum in Oslo

TIME: 20 November 2020, 09:00 – 15:00

ORGANIZER CONTACTS: Carla Pueyo Lloret (c.p.lloret@nhm.uio.no; +47 22859962) and Axel Müller (a.b.muller@nhm.uio.no; +47 90561134)

PURPOSE

The GREENPEG Kick-off Meeting Norway introduces the 90-million-NOK, EU-supported GREENPEG mineral exploration project and brings together Norwegian stakeholders and institutions benefitting from GREENPEG activities.

PRACTICAL INFORMATION

The ZOOM link will be announced a few days prior to the meeting and sent as an Outlook invite. Lectures can be given in English (preferred) as well as in Norwegian.

At the opening of the meeting, we will establish a certain discipline to ensure good dialogue and efficiency in the discussion sessions.

AGENDA

| | |
|---------------|---|
| 09:00 - 09:05 | Carla Pueyo Lloret, Natural History Museum of Oslo, GREENPEG manager Opening |
| 09:05 - 09:10 | Jan Lifjeld, Director of the Natural History Museum of Oslo Welcome |
| 09:10 - 09:30 | Axel Müller, Natural History Museum Oslo, GREENPEG coordinator Exploration „Made in Europe“ – Aims of the Horizon2020 GREENPEG Project and the benefits for the Norwegian exploration and mining industry |
| 09:30 - 09:50 | Marco Brønner, Geological Survey of Norway (NGU), GREENPEG partner The role and activities of the Geological Survey of Norway in GREENPEG |
| 09:50 - 10:10 | Henrik Schiellerup, NGU Public geoscience in Norway and the mapping of critical raw materials |
| 10:10 - 10:30 | Discussion |
| 10:30 - 10:40 | Coffee break |
| 10:40 - 11:00 | Ola Overby, Representative of the Direktoratet for Mineralforvaltning (DMF) DMF's role and responsibility with focus on the Norwegian Mineral Law and the applying exploration and mining rights |
| 11:00 - 11:20 | Anita Helene Hall, Norsk Bergindustri Road map for increasing societal acceptance of exploration and mining activities in Norway |
| 11:20 - 11:40 | Trond Brenden-Veisal, Elkem Raw material projects in Norway |
| 11:40 - 12:00 | Discussion |
| 12:00 - 13:00 | Lunch |
| 13:00 - 13:20 | Thomas Guillaume, The Quartz Corp The Norwegian success history of raw material mining and processing |
| 13:20 - 13:40 | Ola Torstensen, Fylkesgeolog Nordland Mineral industry activities in Nordland |
| 13:40 - 14:00 | Ivar Fossum, Nordic Mining Raw material projects in Scandinavia |
| 14:00 - 14:20 | Mikkola Perttu, Geological Survey of Finland (GTK) Recent and near future activities of Geological Survey of Finland in respect to Li-Cs-Ta pegmatites |
| 14:20 - 14:40 | Sven Dahlgren, Geological Advisor, Vestfold and Telemark County Council The Fen Carbonatite Complex - The main future supplier of critical REE's in Europe? |
| 14:40 - 15:00 | Final discussion and outlook |
| 15:00 | End of Meeting |
